

A Tribute C. George Fitzgerald

With the publication of volume 37 of *Reflective Practice*, George Fitzgerald will step down as President of the Board of Directors of Reflective Practice, Inc. George has served as Board chair since 2006, when Herbert Anderson reconstituted and relocated the Journal of Supervision in Ministry to the Bay Area as *Reflective Practice: Formation and Supervision in Ministry*. We are grateful for George's steady and supportive leadership these last eleven years. George is a well known and well respected figure in the world of Clinical Pastoral Education, having recently been awarded the ACPE Distinguish Service Award. He has been a strong supporter of the International Congress of Pastoral Care and Counseling, and has traveled widely as an ambassador of good will for CPE. Most recently, until his retirement, he served for twenty-eight years as Director of Spiritual Care Service and CPE supervisor at Sanford Health Care and in that capacity he furthered the development and training of hundreds of ministers and chaplains and launched new programs and initiatives to reach under resourced areas. Fortunately, George has agreed to continue his association with *Reflective Practice*, but at this moment of transition in leadership, we wanted to take a moment to say "thank you" to C. George Fitzgerald.

International Advisory Council An Invitation

The Editorial Board of Reflective Practice wishes to make the journal more responsive to the needs of our international readers. In order to fulfill this goal, we are seeking international scholars, teachers, and supervisors in the training and preparation for women and men for ministry in various cultural and interfaith settings to serve on the Advisory Council that guides the journal's editor in the recruitment and selection of authors, the development of themes, and related topics and tasks.
